Alana:

No worries, this date and time should work for everyone. I will confirm tomorrow via the larger email thread on this meeting and get the meeting request document filled out.

Thanks for your help here!

Best,

Josh

CAUTION: This email originated from outside of the HollyFrontier organization. Do not click on links or open attachments unless you recognize the sender and know the content is safe.

We would definitely accommodate a conference call into the meeting if necessary. Unfortunately, the Administrator has travel next week that precludes us from offering earlier dates.

Thank you for understanding.

My assumption is that March 4 at 2:00 PM is the only time available over the next few weeks? Dave Lamp with CVR may have a conflict but could potentially join via phone if that is a possibility.

Thanks and will get the attached document filed out shortly.

Thank you for your request to meet with Administrator
Wheeler this week on February 13. Unfortunately, the
Administrator is personally unavailable due to
travel. We would be happy to have you meet with Anne
Idsal, Acting Assistant Administrator for Office of Air
and Radiation, or see if there is a later date you'd be
willing to meet, in later March or April?

Thank you,

Alana Hyman
